Public Comment:

Cherri Withrow asked if the council would they forgive some of her \$587.00 water bill. She had a leak and doesn't know where it is at. Lonnie will go and change the meter tomorrow. She is going to call when she gets to town.

Jim Grannell complimented Agnes and Gail on the good job that they are doing down at the park.

Jim also asked about a tile running through the backyards for water drainage. They will be videotaping that line to see where it goes through the S. A. W. grant.

Old Business:

1. Dave Fisher, Planning Commission Chair stated that a Public Hearing was held by the Planning Commission. Discussed was an ordinance to allow for possible use of the York St farm land for a Solar Farm. Neighbors within 300 feet of said property were present. We had a question and answer session. All were in favor of the ordinance. A VOTE WAS TAKEN, THE COMMISSION PASSED IT UNANIMOUSLY. It was further moved to pass said ordinance on to council for their approval.
