President Randy Haley called the Public Hearing to order at 7:00 P. M. Trustees present Jeff Zarnke, Bridgette McCarty, John Ginter Martin Baker, Agnes Kosinski and Gail Brown.

Discussion was held on the Parks and Recreation Five Year Plan, updating the Masterplan and having a Capital Improvement plan done.

There was discussion about getting the tennis courts redone. There are people who would like to play tennis and some people are playing Pickle Ball on tennis courts. It was suggested that we look into mud jacking the tennis courts instead of taking the cement right out. It was also talk about removing the curbing inside the tennis court. Will check with Lonnie on all of that. The gazebo needs some work done on it there is some wood that is kind of punky.

It was also discussed about removing the back drop at the t-ball diamond. It is getting old and rickety and we don't want it to fall over on someone. Talked about making soccer our focus because that is the sport that is a constant down at the park in the spring and fall of the year. Discussed the food trailer and it is starting to fall apart. Don't know if it can still be used.

Discussed having some of the tennis courts basketball courts. Maybe getting some 3 on 3 tournaments going. There was a lot of good discussion about different things that can be done at our park.

Motion Agnes Kosinski second Jeff Zarnke to adjourn the Public Hearing.  
Motion carried

President Randy Haley adjourned the Public Hearing at 7:35 P. M.

Respectfully submitted
