The Village of Elkton continues to be a great place to live, work, and play. The Elkton Community Walking Path will be completed in the Spring of 2024. A ribbon cutting ceremony and community event will be held at that time. The path is located in Ackerman Park. Please remember this is a non-motorized path for walking and biking only. Also, please be a respectful pet owner and clean up after your pet when utilizing any public space.

Many civic organizations plan events throughout the year in Elkton. The Elkton Community Happenings Facebook page is a great way to stay connected to all the events in Elkton. Upcoming events for Fall and Halloween can be found on social media and in the newspaper.

Elkton DPW Department
Lonnie Schulz, DPW Superintendent

As we enter fall, our outdoor projects in the Village are being completed. The construction of a new 5' sidewalk from the Wesleyan Church to the Dollar General on Whalen St. should be completed in October. The lead and copper testing was completed and I am pleased to say the Village water system is in excellent condition. The cooler weather is upon us and now is the time for residents to complete their fall clean up, get ready for winter, and keep our town looking great. Please contact the DPW at **(989) 550-2240** with any questions or concerns.

**Elkton Police Department
Scott Jobes, Chief of Police**

As the Elkton Police Department is working hard to keep Elkton a great place to live and raise kids, we find time to enjoy the kids and let them see the Police are their friends. The Police Department helped with candy and such for the kids' games during Autumnfest, as well as handing out candy at the parade. Trick-or-Treat hours have been set for Saturday October 28th, 2023 from 5:00P.M.-7:00P.M. The Elkton Lions Club will be hosting Trunk-or-Treat on N. Main St. and at the Huron Youth Center during those hours. Please be safe and aware of your surroundings as you venture out for Halloween.

As a reminder, please note that it is illegal to rake leaves into the street and/or burn leaves within the Village of Elkton. It is also an ordinance violation to blow grass on the street. All yard waste needs to be bagged and put to the curb for yard waste pickup on the regular trash pickup day. Also, there is no parking on Village streets between the hours of **3:00 A. M. TO 7:00 A. M.** As we transition into winter, please remember to clear sidewalks of snow and ice, particularly in the business areas. Please remind your snow plowing company to not block sidewalks with snow piles when clearing your driveway. For your safety, several security cameras have been installed at Ackerman Park, downtown, and the Pocket Park. With these cameras, comes free public Wi-Fi for you to enjoy at the parks. If you have any questions on ordinances, please call **(989) 375-4450** or leave a message on our Elkton Police Department Facebook page.
